

Item	Location	Recommendation	Reason
1	30th St between Idylwyld Dr & Ave C (south side between Idylwyld Dr & Ave C); Ave F between parking lot south of pool & 31st St (west side); Ave D (portions on east side, north & south of 23rd St to connect to existing)	Install Sidewalk	Improve pedestrian safety near parks, schools, playgrounds, bus routes
2	Ave C 30th St St	Change yield signs to stop signs	Enhance compliance
3	Ave D & 30th St	Install "no parking" sign on 30th St (southeast corner) 10m	Improve visibility for drivers northbound
4a	Ave E & 30th St	Install median islands (west & south legs); install accessibility ramps & pathway connection on north side (Refer to picture #4a)	Improve pedestrian safety near park; reduce speeds around south curve of park; ensure proper turning movement; provide access to park path
4b	Ave E & 30th St	Install curb extension on 30th St (southwest corner) & median island on Ave E; install accessibility ramps & pathway connection on north side (Refer to picture #4b)	Improve pedestrian safety near park; reduce speeds around south curve of park; ensure proper turning movement; provide access to park path
5	29th St & Ave B	Install pedestrian corridor & zebra crosswalk	Improve pedestrian safety near school
6	29th St & Ave C	Install zebra crosswalk	Improve pedestrian safety
7	Jamieson St & Ave C	Change yield sign to stop sign	Enhance compliance
8	Avenue D & 23rd St	Install median island, signage, & pavement markings to restrict northbound through movement; "no parking" signs 10m (Refer to picture #8) (Subject to CP approval)	Reduce collisions; provide guidance
9	Ave F & 31st St	Install curb extensions & median island on Ave F (south side)	Improve pedestrian safety near park; reduce speeds
10	Ave D & 31st St	Install curb extension on Ave D (southeast corner)	Improve pedestrian safety near park; reduce speeds
11	Ave F & 30th St	Change yield sign to stop sign; install closer to intersection	Enhance compliance; existing location of yield sign is far back from the intersection
12	Ave H & 31st St	Install zebra crosswalks on 31st St (north & south legs)	Improve pedestrian safety

Call in to request

- | | | |
|---|--|--|
| 1 | Enforcement (ie ignoring traffic controls; truck routes) | 306-975-8068 OR 306-975-8300 (Saskatoon Police Services) |
| 2 | Parking restrictions | 306-975-2454 (City of Saskatoon - Transportation) |
| 3 | Tree trimming (ie. obstructing sign; driver's view) | 306-975-3300 (City of Saskatoon - Parks) |

Additional improvements through other projects

- Safety Pathway - improvements will be made at the pedestrian crossings on Ave C & Ave D as part of this project
- 23rd St/Blairmore Bikeway (temporary pinch point between Ave E/AveF; Ave H) - concerns were sent to Project Manager & will be reviewed as part of this project
