Are there traffic concerns in your neighbourhood? Do you have ideas and suggestions to address the issues? We want to hear from you!

Residents of Montgomery Place are invited to attend a public meeting to identify and discuss local traffic issues in the neighbourhood. We will also collect your concerns and ideas regarding traffic on 11th Street as we are concurrently completing an assessment of the corridor. The meeting will be hosted by the City of Saskatoon, Transportation Division, as part of the Montgomery Place Local Area Plan project.

The Transportation Division will examine the issues identified at this meeting, gather additional information through traffic counts, and prepare a comprehensive plan to address traffic concerns across the entire Montgomery Place neighbourhood.

All local stakeholders are welcome and encouraged to attend. Please join us as we discuss the traffic issues that affect you and your neighbourhood!

Please send Montgomery Place traffic comments to:
